Principal signature: _____

STUDENT LEARNING

What was the most memorable aspect of this project?

What key things did the students learn from this project?

How did you measure student learning? What were the results?

TEACHING INNOVATION

How did this project foster teaching innovation?

What skills have you developed and/or what materials have you received from this project that you can incorporate into your future teaching. How could you share this with other teachers?

SUSTAINABILITY

If project required outside expertise or outside vendor, could expertise be brought in-house? If so, how?

Could this project be replicated with reduced costs? If so, how?

Could this project be enhanced with additional resources? If so, how?

Outside vendor – If applicable: Would you recommend using this vendor again? Can you recommend a better vendor for this program?

What materials have you received from this project that you can incorporate into your future teaching?
How could you share this with other teachers?

TESTIMONIALS

Please let us know how much you valued this project as a teacher. Include any quotes from students/parents that you would be willing to share for RCEF materials. Feel free to attach student thank you letters and photographs that we can forward to our SMART grant sponsors.
