

AT THE HEART *of* CHANGE

ANNUAL REPORT 2019-2020 : SUMMARY

Last summer The Redwood City Education Foundation, (RCEF) engaged in a process to redefine our mission and refocus our goals. Working closely with Venture Leadership Partners we began creating a theory of change. Along with their leadership, the input of select board members, and pivotal community leaders, RCEF was able to respond to our community's changing needs. As a result, we have made a shift in our thinking and in the way we disperse our resources. Our newly redefined, sharpened mission is:

TO INCREASE THE EARLY ACADEMIC PERFORMANCE OF UNDERSERVED STUDENTS.
